

Dear Sirs,

This is a great honor for us to inform you that:

The 10th Tehran International Tourism Exhibition (T.I.T.E)

will be held from 6 to 9 February 2017 in an area of about 35000 square meter at the Tehran International Permanent Fairground.

This exhibition is the main tourism official event in Iran which has been registered in the calendar of World Tourism Organization (UNWTO) and is the best opportunity for all active companies and organizations in the fields of travel & tourism, hotel equipment and service suppliers as well as the producers of handicrafts and traditional arts in order to present their potentials.

T.I.T.E is to be supported by all Iranian tourism associations and organizations, especially by Iran Cultural Heritage, Handicrafts & Tourism Organization (ICHTO), Iran Trade Promotion Organization (ITPO) and Iran International Exhibition Co. (IIEC).

Iran acts as a bridge which connects European countries to the Far East, as well as the CIS to the Middle East, but despite the great natural and historical tourism attractions, there are still golden and unexplored opportunities for investment in all fields of tourism industry. International investors could find a great number of fruitful opportunities to launch their tourism plans all over the country.

As the most important and biggest tourism event in Iran, T.I.T.E is not only to host all tourism experts, specialists and general visitors, but also the officials of UNWTO and other important international tourism organizations and associations. Various sideline specialized workshops and conferences will also be held to investigate and enhance the level of tourism efforts in Iran and the region, during the exhibition.

So hereby we avail ourselves to invite you to be one of the exhibitors if this exhibition and would be pleased to have your company among our exhibitors.
