Dear Sirs,

I am the Business Development Manager of a Jordanian Pharmaceutical manufacturing Company called: "Al-Taqaddom Pharmaceutical Industries (TQ Pharma)".

The headquarters of "Al-Taqaddom Pharmaceutical Industries (TQ Pharma)" are based in Amman with the manufacturing facilities located in Sahab area (23 kms from city center).

Our company is with a paid capital of US\$ 40 million and produces different pharmaceutical items of different therapeutic categories. TQ Pharma is ISO & GMP certified company.

We are looking to invest in Ukraine, initially by having an access to the market through registering selected items of our product list there and having Ukrainian distributor to be appointed as our agent in Ukraine.

For that, we need your help to give us a list of pharmaceutical wholesalers /distributors with whom we can start building a fruitful partnership.

Knowing that the products we have the intention to get them registered in Ukraine are:

1. Levar (levocetirizine diHCl) 5mg F/C tablet
2. Muxava (moxifloxacin) 400mg F/C tablet.
3. Redex (tadalafil) 5mg, 10mg, 20mg F/C tablet
4. Rosatin (rosuvastatin) 5mg, 10mg, 20mg, 40mg F/C tablet.
5. Novera (esomeprazole) 20mg, 40mg capsules

6. Torix (etoricoxib) 90mg, 120mg
7. Prostanic® (tamsulosin HCl) 0.4mg Capsules
8. Bi-Act (Metformin HCl & Glibenclamide) F/C Tablets
500mg/5mg, 500mg/2.5mg, 250mg/1.25mg
9. Montal® (Montelukast) 4&5mg chewable tablets
10. Montal® (Montelukast) 10mg F/C Tablets
11. Neurica (Pregabalin) 50,75,150,300mg Capsules
12. Momint (Sildenafil) 25mg, 50mg& 100mg
13. Alfo® (Alfa lipoic acid) 300mg Capsules
14. Kabtafer-Plus® Tablets (fish component that enhance Iron absorption).

Looking forward to having your kind support.

Best Regards,

Dr. Ali Musmar

Business Development Manager
