Dear Sir/Madam,

RE: SUNFLOWER SEED PURCHASE FROM UKRAINE - 12,000 METRIC TONS

I refer to the above captioned subject and advise that we are a Zambian company in the business of procurement of grain commodities and currently we have a requirement for 12,000 Metric tons of high oil yielding sunflower seed for crushing and edible oil production.

The sunflower is to be consigned to Port Quelimane in Mozambique.

In pursuance of the above we humbly request your good office to facilitate trade by offering trade linkages between ourselves and export trading companies that are in the business of exporting grain agro commodities worldwide.

Further by way of authenticating ourselves we attach herewith the following documents for ease of reference.

- (1) Company Certificate of Incorporation
- (2) Shareholding data
- (3) Zambia Revenue Authority Tax Registration
- (4) Company Profile

NANJILILE INVESTMENTS LTD
Lusaka, Zambia

We trust you will find the foregoing in order and await your feedback on trade facilitation in anticipation.

Yours faithfully
