EXPRESSION OF INTEREST BY INTEGRATED DAIRIES LIMITED TO PARTNER WITH UKRAINIAN COUNTERPARTS

I am directed to inform that the Embassy received a letter from Integrated Dairies Limited (IDL), a Nigerian company that has expressed its desire, to partner with Ukrainian counterparts, in the area of whole milk powder/full cream and skimmed milk powder production.

2. IDL which drives by the brand name of FarmFresh, is one of the manufacturers of fresh dairy products in Nigeria. The company is located in Plateau State, with distribution outlets in major cities in the country and is also one of the 6(six) companies exempted by the Federal Government of Nigeria, to import milk and its derivatives.

3. IDL have been in dairy production for over 15 years, with appropriately 550 hectares of land, and about 500 Holstein Friesian Cows, and also targeting 500 local breed by the end of 2020. It produces high quality range of dairy commodities, by processing fresh milk obtained from its herd of Holstein Friesian cows into various flavors of drinking and stirred yoghurt, pasteurized full cream, low fat milk, ice cream as well as premium smoothies. These products contain no preservatives.

4. In addition, the company produces silage (maize and grass), concentrates and hay which are fed to its animals and channeled to other Dairy Framers under an out growers' scheme.

5. In this context, it would be appreciated if the Chamber of Commerce, could kindly inform its members of the proposal of Integrated Dairies Limited, with a view of finding a matching reputable partner in the field. A response could be conveyed to the Mission, for onward transmission to the company accordingly.

6. In the interim, further enquires can be obtained via telephone numbers: +2349038862224, +2349038862225, +2349038862226, website: www.integrateddairies.com, info@integrateddairies.com or through a documentary: <https://youtu.be/ft9mbyk7IQ>.

7. Please accept the warm regards of the Chargé d'Affaires a.i.
