COMMERCIAL PROPOSAL.

“GOOD SALT PRODUCTION” LLC expresses its sincere respect to you, and hereby informs that it has the ability to supply food grade, refined, enriched, refined, iodized salt of the Extra class.

Products are manufactured at the only enterprise in the CIS and Central Asia today, where the equipment and technologies for the production of edible salt of Construcciones Mecanicas J. SERRA, SA (Spain), one of the world leaders in the production of similar equipment, are installed and have many years of experience in delivering this equipment and technologies to many countries of the world. The equipment and production technologies of this company comply with international quality standards ISO and UNE, and are also approved and recommended by the international organization UNICEF. (a copy of the UNICEF letter is attached).

The manufactured products are distinguished by the constancy of such important quality indicators as; degree of purification, humidity, iodization level in terms of elemental iodine. The products are manufactured with the addition of potassium ferrocyanide K4 [Fe (cn) 6] .3H2O that complies with EU standards, which is used against clumping of the product and preserves its friability.

The salt that our company produces, small, medium, large, is supplied to the market under the brand name "*NISO*".

The plant's productivity is 20,000 tons. finished products per year.

LLC GOOD SALT PRODUCTION is ready to offer you the salt of the Extra purification degree, which meets the following technical parameters:

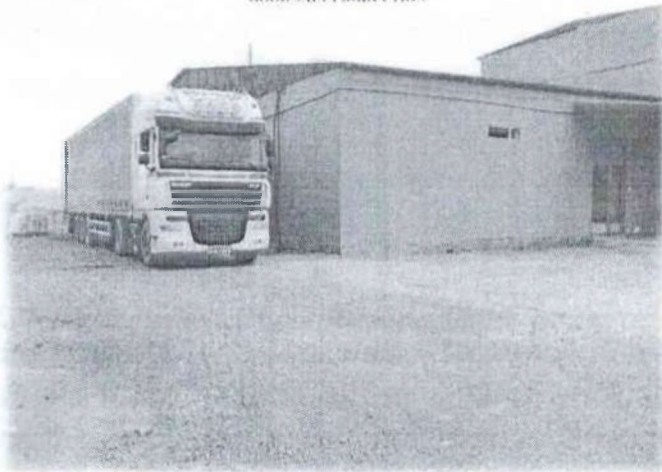

- appearance of salt - white, shiny, excellent flowability, stable iodization;
- NaCl (dry) - min. 99.68%;
- humidity - max. 0.15%;
- iodine content (KIO3) - (40.0 +/- 15.0) * 10-4%;
- insoluble matter - max. 0.05%;
- anti-clumping additive (anti-cake) potassium ferrocyanide K4 [Fe (cn) 6] .3H2O;
- granulometry - 75% of crystals from 0.4 to 1.0 mm.
- In double-layer polyethylene / polypropylene bags of 40 kg per 1 ton - \$ 58
- Price is without delivery.

Faithfully yours,

LLC GOOD SALT PRODUCTION

Коммерческое предложение на поставку продукции для зарубежных покупателей

№ 48
09.08.2022г.

Информация о компании: ООО «GOOD SALT PRODUCTION»

Перечень производимой продукции:

№	Наименование продукции	Код ТН ВЭД	Сорт/Тип/Класс	Единица измерения: количество (шт), вес (тн.), объем (л.), если другой указать	Общий объем предлагаемый на поставку	Цена за единицу (указать) (USD)
1	Соль	2501009 110	высшее	Тн	20 000	80\$ за тн
2	Соль	2501009 110	высшее	Шт	2 000 000	0,280 за кг

Наличие соответствующего сертификата:

Целевые страны экспорта: Европа, Китай, Афганистан

Преимущества: Мы используем передовые технологии в переработке соли, оборудование ("Construcciones mecanicas J.Serra Барселона Испания), которые мы применяем отвечает европейским стандартам и в нашей стране такого рода техники ещё не было.

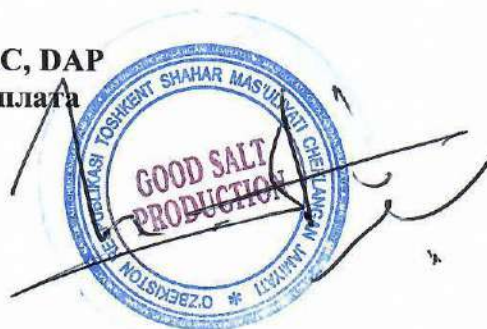

Упаковка:

1. Мешок полипропиленовый 40 кг
2. Полипропиленовый 1 кг
3. Коробочный 1 кг

Условия поставки товара: FAC, DAP

Условия оплаты: 100% предоплата
