## KEY HIGHLIGHTS OF F ISTANBUL

### International Buyer Delegations

F Istanbul brings together the world's food, beverage, processing and packaging buyers under one roof.

Our International Buyer Delegations Program welcomes importers, distributors and retail chains from 109+ countries, offering exhibitors strong export-oriented business connections.

### Advanced B2B Meeting System

F Istanbul's digital B2B meeting system enables exhibitors to connect directly with qualified buyers through pre-arranged, time-efficient business meetings.

In 2025 edition, thousands of meetings took place, accelerating new partnerships and market entry opportunities.

### Culinary Demonstration Arena

A dynamic show area where chefs and culinary professionals present innovative recipes, product applications and food solutions.

The 2025 edition hosted chefs from multiple countries, offering visitors an inspiring and interactive experience.

### Global Networking Environment

Designed to maximize interaction, F Istanbul provides a premium networking atmosphere that brings together manufacturers, buyers, distributors, brand owners, HoReCa professionals, investors, and decision-makers from all around the world.

**Join us at F Istanbul, the leading food industry exhibition in Türkiye from 26-29 August 2026.**
