Black Sea Boat Show & Blue Economy Summit An Emerging Maritime Hub

The Black Sea Boat Show is the region's premier marine exhibition taking place in Trabzon, Türkiye, from March 27-31, 2026. It showcases the latest yachts, boats, and marine equipment and serves as a central gathering for the growing Black Sea maritime and blue economy sectors.

This event is part of the **Black Sea Blue Economy Summit**, a larger platform focused on sustainable maritime growth, coastal tourism, water sports, and regional collaboration.

Black Sea Boat Show Highlights

Highlights of the show include:

- 17.000 m² exhibition area.
- Display of latest yachts, boats, and marine equipment.
- Opportunities for manufacturers and dealers to showcase innovations.
- Networking with international buyers, investors, and partners.
- A strategic gateway for entering and expanding within the Black Sea boating market

The show enhances the visibility of the region's maritime industry and supports market growth.

International Participation & Business Focus

The Black Sea Boat Show and the Blue Economy Summit bring together regional and international maritime professionals, creating a focused business and networking environment for the boating and marine industries.

Participation from boat manufacturers, dealers, suppliers, and service providers from the Black Sea region and neighboring markets.

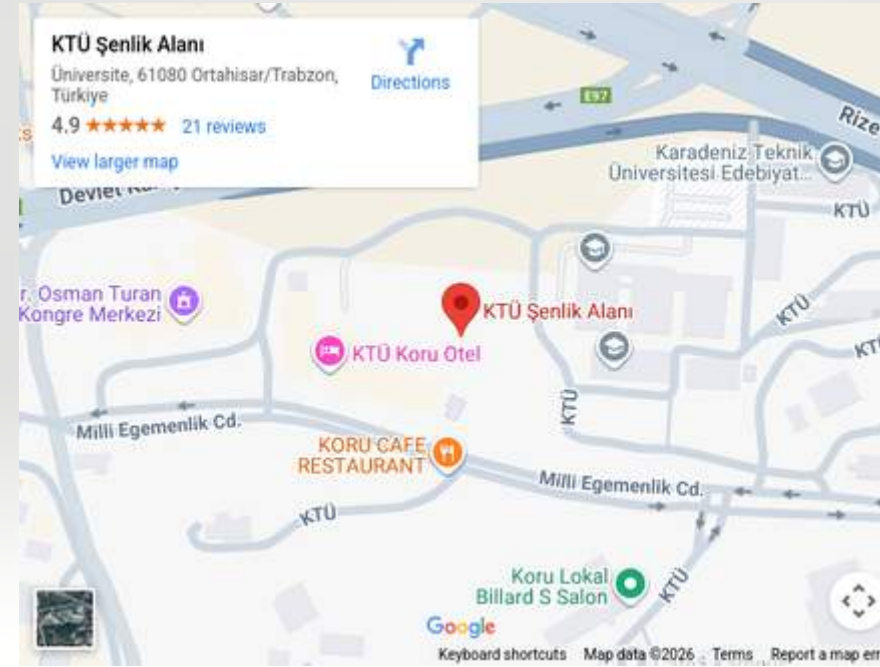

Strong presence of yachting, marina, refit, and marine equipment companies, reflecting the region's growing leisure boating market.

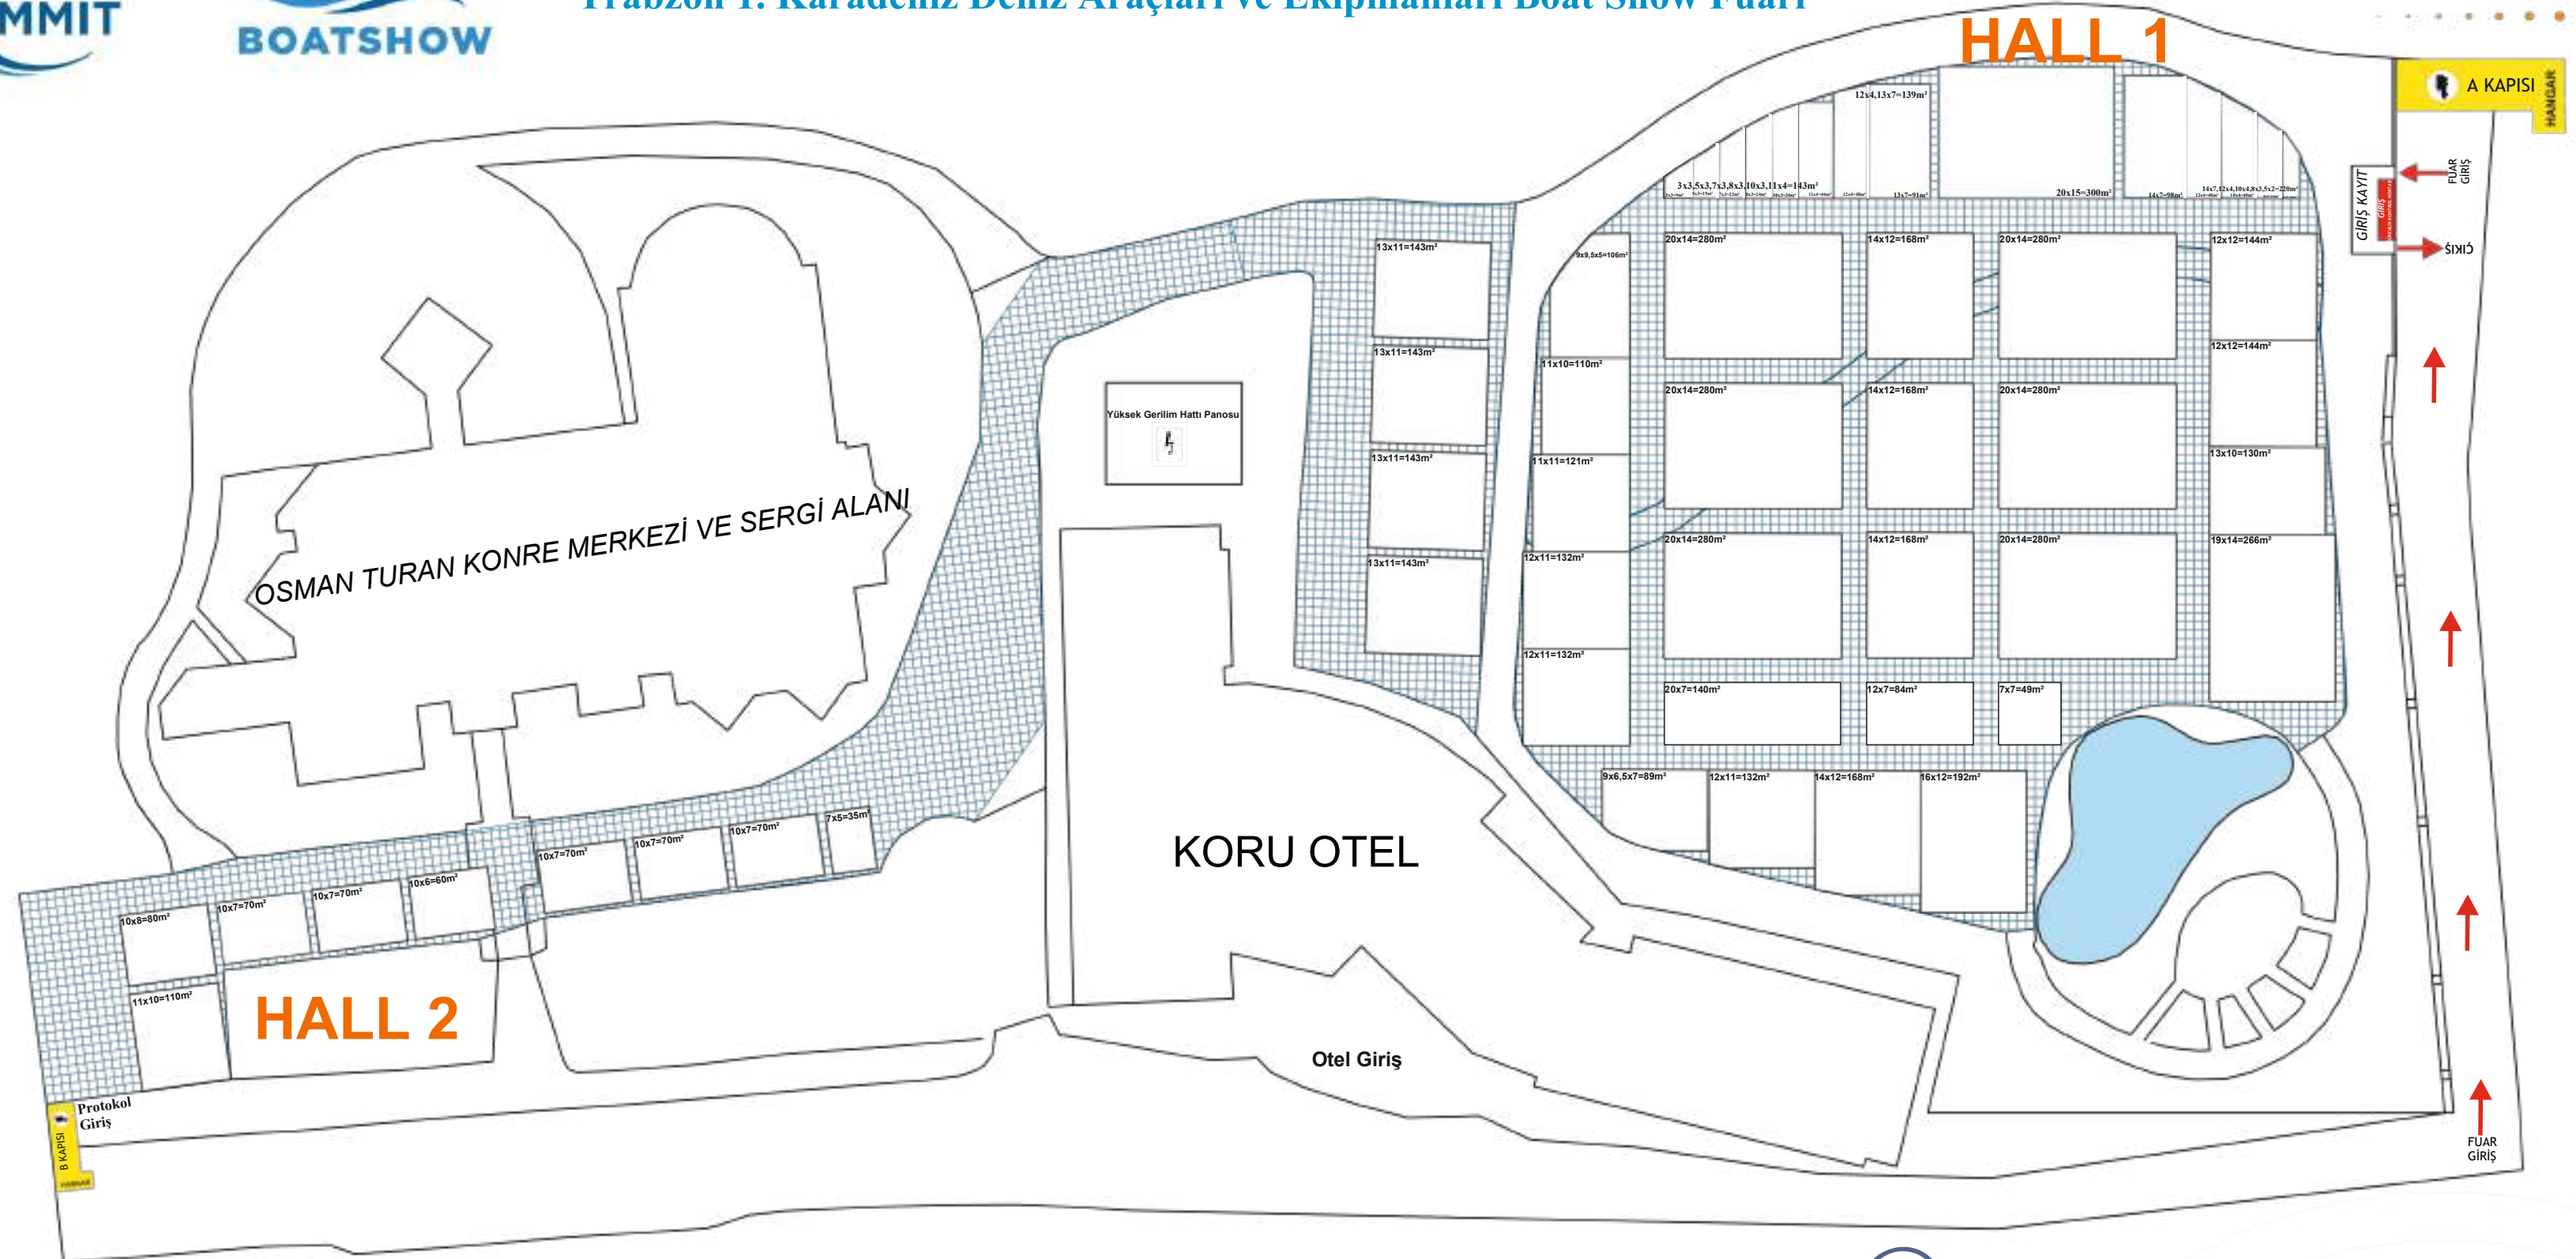

Opportunities to connect with buyers, distributors, and potential partners seeking new markets and regional representation.

A business-oriented platform designed to support commercial partnerships, sales opportunities, and long-term cooperation.

Boat Show Area

The Black Sea Boat Show is a sub-event of the Blue Economy Summit, with all activities taking place simultaneously at adjacent venues.
