Embassy of Ukraine in the Republic of Moldova

*Subject: Information regarding the suspension of restrictions applied
to imports from Ukraine*

The National Food Safety Agency of the Republic of Moldova hereby informs the Embassy of Ukraine in the Republic of Moldova that, on **9 September 2026, Order No. 404 was issued**, repealing Order No. 315 of the Director General of the Agency dated 16 July 2026 concerning the enhanced control of imported consignments of food preparations containing fats of animal or vegetable origin from Ukraine.

Consequently, following the entry into force of Order No. 404, the measures established by Order No. 315 of 16 July 2026 no longer apply, and the restrictions/additional measures previously imposed on the import of the respective consignments of products originating from Ukraine have been suspended.

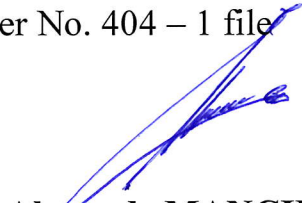

Order No. 404 entered into force on the date of its signature and has been published on the official website of the National Food Safety Agency.

In this context, the Agency respectfully requests the Embassy of Ukraine in the Republic of Moldova to bring this information to the attention of the competent authorities and other relevant stakeholders in Ukraine.

The National Food Safety Agency expresses its readiness to continue cooperation and maintain a constructive dialogue with the Ukrainian side in areas of mutual interest.

Attachment: Order No. 404 of the National Food Safety Agency dated 9 September 2026 – 1 page; Unofficial translation of the Order No. 404 – 1 file

Sincerely,

Alexandr MANCIU
Director General a.i.
